A passionate beginner in mobile and web development, eager to learn and exploring new technologies.

With Three years of experience carrying out personal projects, I have strong knowledge in Flutter and Django

SKILLS

- **Python**
- **Dart**
- **Jquery**
- **C**
- **Photoshop**
- **Django**
- **Flutter**
- **Bootstrap**
- **C++**
- **Blender**

CERTIFICATIONS

- **Developer Python Intermediate**
  Sololearn   2024

- **Problem solving with Python**
  CodinGame   2024

- **Web Development Certificate**
  Fynatec SARLU   2023

PERSONAL PROJECTS

Katro   November 2024
Tech : Flutter & Dart, Photoshop

Developed a traditional Malagasy game called Katro to a mobile application using Flutter :
- Designed and implemented an intuitive and user-friendly interface.
- Created custom button images, background images, and icons with Photoshop
- Integrated game rules and logic.

Raktos School   August 2024
Tech : Django & Jquery

Developed a local website that allows users to record course notes in a simple and intuitive way. The platform features a real-time text editor, enabling users to organize information by course and chapter. :
- Designed the server backend using Django.
- Enhanced the user interface by adding several custom functionalities using jQeury.

Medikaly (Student group project)   August 2024
Tech : C, GTK4, MySql

Developed queue management software for a medical office, including three program : a ticket distributor, a waiting list display and a doctor management interface.
My roles :
- Designed an intuitive user interface using GTK4 for all programs.
- Integrated the interface with the backend.
- Implemented real-time updates to ensure data consistency.

Tononkalo   March 2024
Tech : Django, Html, Css, Javascript, Bootstrap

Developed a website dedicated to publishing and sharing poems, providing a platform for poets to showcase their word.
- Built a dynamic and responsive website using Django for the backend and Bootstrap for the front-end design.
- Implemented features for users to publish, delete, update and like poems
